LB 1255
LR 415

SENATOR VICKERS: Thank you, Mr. President. I apologize for being a little bit late, Mr. President. But some of us start work early in the morning and work hard while we're down there too. The resolution I bring to you is to recognize the City of McCook who is being honored today for a rather unique honor. They have been awarded a National Arbor Day Award in cooperation with the Nebraska Forestry Service as a Tree City U.S.A. And the Governor...there are some representatives from McCook that will be in today to receive a designation from Governor Kerrey. And this is just a resolution from the Legislature commending the City of McCook on that recognition. I would like to ask for its adoption.

SPEAKER NICHOL: Senator Harris, please.

SENATOR HARRIS: Mr. President, Mr. President, members of the Legislature, as a member of the McCook coalition, I must stand and rise to give support to the resolution regarding McCook, Nebraska. As we all know, the City of McCook has a lot of unique features. This just points out another one of those unique features. I urge the adoption of this resolution. Thank you.

SPEAKER NICHOL: Senator Haberman, please.

SENATOR HABERMAN: Mr. President, members of the body, I must rise and will rise and am pleased to rise to support this resolution, and at the same time say that McCook's loss in Harris was replaced by me. And I'm looking out after them very well. Thank you, Mr. President.

SPEAKER NICHOL: Question is the adoption of the resolution. All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 25 ayes, 0 nays, Mr. President, on adoption of the resolution.

SPEAKER NICHOL: The resolution is adopted. We'll move on to number six, Select File. LB 1255.

CLERK: Mr. President, 1255 was a bill that is on Select File. The first item I have on 1255 are E & R amendments, Mr. President.

SPEAKER NICHOL: Senator Haberman, please.
